Overview

This checklist provides an overview of the steps to make changes to an employee's (clergy or lay) benefits offered through The Church Pension Fund (CPF) and its affiliates (referred to as "the Church Pension Group" or "CPG") when the clergy person or lay employee ("employee") registers a domestic partnership. For information on how to change benefits when same- or different-sex partners are legally married, see "[Changing Benefits when an Employee Marries.](#)"
